SUMMER  2021

Association Updates

Just Around the Corner... New

 Pool Coming for Summer! 

The complete pool remodel, to include new dedicated restrooms poolside and an outdoor shower is close to ready! Unfortunately, we experienced some delays in construction and are still waiting for city and county inspections for sign off to proceed with plastering. Once plastering is complete the pool will be filled with water, then will need 10 days for the plaster to cure before opening. Stay tuned, we will inform everyone as soon as the pool is ready, hopefully by mid-July.

Sea Ridge Landscape 2020 Summary

From Rose Allaire

The Sea Ridge Landscape Committee has worked with the Landscape Contractor RGS to make some new improvements this year, including the recent reseeded of the Greenbelt/Park area. The fresh new grass has grown in beautifully. Several areas around our community have received transplants of succulents and agaves (drought tolerant plants) from other zones of our landscape. The landscape goals are to improve the high visibility areas (like entries and monuments) and maintain irrigation to keep our landscape thriving! The Landscape Committee meets twice each month on the 2nd and 4th Wednesdays at 8:30 a.m. at the Tennis Courts to walk the community.

As landscape improvement is high on the priority list right now, the Landscape Committee is seeking additional members. If you are interested, please pass your information to Rose Allaire via Seabreeze Management.

If you would like to replant your entryway or adjacent common area, please contact the Landscape Committee.

A Friendly Reminder about Your Dog

Please remember to carry a poop bag in case the dispenser is empty. And, PLEASE note, **pets must be on a leash at all times when outside in the Sea Ridge community. This is for the safety of our residents as well as other pets.** It's not only courteous to your neighbors, but will keep you from any fines that can be imposed on you by Sea Ridge and from the City.
